

THE POWER TO PRODUCE WEALTH PART 04

The Plans of the Diligent

SCRIPTURE READING:

The plans of the diligent lead to profit as surely as haste leads to poverty.

- Proverbs 21:5 (NKJV)

Plans: *machashabah. Intention, curiosity, thoughts, imagination.*

Diligent: *charuwts. It is the intentional and thorough doing of something.*

Diligence is not a thought process or a state of the heart; it is a state of action.

OPENING PRAYER

Dear Lord, I thank you that today that you make the plans of the diligent to prosper. Give us plans and give us diligence today we pray, in Jesus' name.

SMALL GROUP QUESTIONS:

1. Is anyone in your group feeling stuck in life, unable to discern the way to move forward in life? If so, give that person(s) time to share what they are experiencing, and minister encouragement to them.
2. What are your plans? What dreams has God placed within your heart, and what do you intend to do with them? Share with one another and offer encouragement.
3. Now describe the state of your diligence. Are you acting on your plans, or are you merely planning to act upon your plans? What is stopping you from taking action? Share with one another and encourage one another.

4. Has this lesson inspired you to think/act in any way that differs from the way you thought/acted before hearing the message?

CLOSING PRAYER

Lord Jesus, we thank you for this moment of activation in which you are moving your people into the place of victory. We will not live in the encampment outside of Jericho any longer. We will move forward, in Jesus' mighty name!
